3rd term - April/July 2018

www.hndmontessori.co.ke

July 2019

It has been a wonderful term. There has been a lot happening, as you will find read below.

The Primary Section children are enjoying being the older ones, and are at the forefront in their confidence and the new ones have realized that they have a lot to explore, discover and learn. Hence making them all stand out as individuals. 😊

Term Dates: For your diary:

School opened:	24 th April 2019 (Tuesday)
End of Term:	12 th July 2019 (Friday)
Opening next term:	<u>28th August 2019 (Wednesday)</u> (Please note the opening date)
End of term:	05th December 2019 (Thursday) - 14 weeks

Parent/Teacher consultations

Mars A & B parents have come to watch children work in class. Thereafter, have meeting with the teachers.

Venus, Neptune and Mercury 'new' parents had consultations with the teachers.

Jupiter class teachers had consultation with the parents.

Grade 1 & 2 teachers started their consultations with the parents last week. They are also discussing the children exam performance amongst what more they have achieved. Children will get their **report cards** with invoice for next term.

Field Trips

All the trips went well, Jupiter class went village market (fun place) and the rest went to Stedmark Garden and recreation centre at Langata. The elder children thoroughly enjoyed their trip to Eden farm; the photos will be uploaded on our website soon.

Graduation

Graduation for **Jupiter class** will be held in **November** for those children who are going to (Lower Elementary - Grade 1).

Lower Elementary news

We had called **parents** of Mercury & Jupiter class to give them an idea what we do in Grade 1 and 2 classes.

The **children** did present some Montessori activities, to reinforce what the 'Competence Based Curriculum' has in their books. I was happy that we had a good turnout. As you are aware that we have Montessori curriculum incorporated with the local system up to Grade 6.

Later parents can choose either the British or the local system for their secondary education; our children will adjust to both.

Parents, now have a choice for their children to get **same attention, love, care and respect** which they are entitled to, and not be pressured or overburdened with books only but to enjoy what they are learning and also have extra concrete materials to better understand what they learn, and still have play in their lives as well.

"I hear and I forget; I see and I remember; I do and I understand". (Chinese proverb)

Payment reminder

I want to thank parents who are paying promptly. I would appreciate other parents to follow suit, to make our work smoother.

Parents do make a note about snacks and extra curricula payments to be paid on time too & **separately** if possible, as it is cumbersome to keep on reminding parents repeatedly. The office will remain open next week for parents who want to pay for coming term.

If you have any queries regarding the above newsletter, feel free to contact me or Zuher.

Have an enjoyable and safe summer holidays with the children.

Yours Sincerely,
Mrs. Mohamed
